

## ZERO-RATING APPLICATION FORM

(version 1.2, 2020-04-22)

This form serves as an application to have a website zero-rated in terms of the Electronic Communications, Postal and Broadcasting Directions issued on 26th March 2002 under Regulation 10(8) of the Disaster Management Act, 2002 (Act No. 57 of 2002), as amended. These regulations state:

9.1 *Electronic Communications Service Licensees must provide zero-rated access to local educational content websites.*

10.2 *Electronic Communications Service Licensees must zero-rate all COVID-19 sites identified by the Department of Health [...].*

### Website details

Website address (URL): \_\_\_\_\_

Short description (<10 words): \_\_\_\_\_

Server IPv4 address(es): \_\_\_\_\_

Server IPv6 address(es): \_\_\_\_\_

Ports used by the server:  80 (HTTP)  443 (HTTPS)  Other: \_\_\_\_\_

For a secure (HTTPS) server, some operators may only be able to implement zero-rating if the server uses the Server Name Indication (SNI) extension to TLS. If your server uses SNI, please provide the hostname of the server to be zero rated.
